Curbside Return Construction/Features

Materials:	All components parts are 12 gauge aircraft grade aluminum for high strength and excellent dent resistance.
Versatility:	Easy 180 degree hood rotation for your convenience.
Weather Resistance:	Fully sealed to prevent leaking in adverse weather conditions such as rain, ice, snow, and dust. Sloped and radiused hood helps shed water. Built-in door drip rail comes standard and helps deter water from entering at the top of the cart door.
Theft Deterrence:	Exclusive Kingsley theft deterrent chut design. Full-length stainless steel hinge on access door. No corner seems to pull apart.
Fire Suppression:	Airtight design smothers most fires in less than one minute.
Available Finishes:	See website for available color options.
Available Wording:	See website for available graphics options.
Locking Method:	Depository opening locked with two keyed cam locks. Access door utilizes 3-point locking (top, bottom, and opening side. Key paddle lock with weather sealed lock cover to prevent freezing and keeps dirt out. An additional pagoda lock at the top left of the access door.
Liquid Drainage System:	Designed to divert liquid from the depository opening away from the collection area.
ADA Compliancy:	ADA compliant when properly installed.
Assembly Required:	Ships fully assembled.
